

September 4, 2009

Dear Member Clubs of the DSBGF:

At this time, I would like to thank each and every Club and individual for their help and support with the Alabama State Cattle Ranch Fence fund!

As of now - we have ordered and received enough wire for 2 plus - 50 acre pens, work on these will begin this month. Forever Wild has provided post and barb wire for these pens and we are very appreciative of these items they have donated.

Our Land Fund Committee is actively looking for land for our future home. The committee members are: Wayne Martin, Ronnie Kilgore, Bill Emerson, Terry Nelson, Brad Ward and Kevin Moore. We will keep everyone updated on their progress.

The upcoming trial season is upon us, and me and everyone on the DSBGF Board wishes everyone good luck! We look forward to seeing you soon!

Sincerely,

Art Clay

DSBGF President
